IN MYSORE.

Notice dated 19th April 1919.

The Director of Civil Supplies, Madras, has in his Notification No. 4 of April 1919, dated the 15th instant, notified the future arrangements for the export of rice from the Northern Delta Districts of the Madras Presidency.

As far as the Mysore State is concerned the principal feature of the new arrangement is that Mysore merchants will not be required to restrict their purchases to specified mills in a particular taluk of the Godavari District, but the rice may be imported from any of the delta districts, viz., Guntur, Godavari and Krishna. The Deputy Director of Civil Supplies, Bezwada, will call for tenders for the export of rice at fixed prices from these districts. The fixed prices at which tenders will be called for will not exceed the present maximum prices, viz.—

Rs. 11 12 0 for the first quality boiled rice per bag of 2 mds. including gunny ex-down.

Importers will only be allowed to buy from those whose tenders have been accepted by the Deputy Director. It should be distinctly understood that the Deputy Director will not act as buying agent but will simply bring the buyer into contact with the seller.

The total quantity of rice which can be imported into Mysore from the delta districts will continue as heretofore, viz., 9,520 bags of 2 maunds each.
